# DONATIONS NEEDED!

For over two decades, the Washtenaw County Sheriff's Office has offered the Shop With a Cop program in Washtenaw County during the holiday season and during the summer at our Back to School events. Our mission is to provide children in need, with a fun opportunity to engage with local law enforcement officers and to provide financial support for these families. Because these four events are funded entirely from donations, the generosity of our donors is essential to the program's success.

In 2022, thanks to the big hearts of donors like you, we were able to support over 400 children with school supplies and over 200 children and their families for the holiday season.

We are graciously asking for your financial donation, to make the magic happen again in 2023. Your generous support helps to provide these children with the opportunity to start school on a positive note and to make their holidays a little brighter!
